

"Daddy and I weren't born in Edina, dear, we achieved Edina."

"I never actually smacked an elf before. I've wanted to.
But this is the first time I've actually hit one."

"Now, your pessimist would look at that glass and say, in his whiney voice, 'That glass is half empty.' "

"I'm sorry but this is Bloomington and we have a dress code."

Gordon 6/24

minneapolis Tribune

GUINDON by Richard Guindon

Carp were once used as breathalyzers. The police figured any fool who would put a carp in his mouth and blow into it would have to be drunk.

Release Thursday

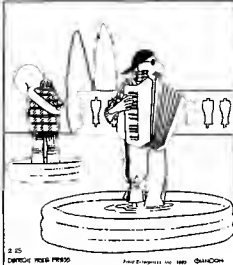

GUINDON by Richard Guindon

The state of California has a hot-line for stolen grocery carts. The maximum sentence is 30 days and a \$500 fine.

GUINDON by Richard Guindon

"It looks like I'm going to have to pick up the slack in our income with speaking fees."

Release Friday

GUINDON by Richard Guindon

A lot of us just can't wait until we get video polka music.

GUINDON by Richard Guindon

"There's not much to tell. I like disco, good food, Hervey Wallbangers, and People magazine. My pet peeve is Adolf Hitler."

Release Saturday

GUINDON by Richard Guindon

"When I first met you I thought you were really going to be somebody. Instead, you're you."
